

We Provide a service by providing all the court records that the user requires from The Supreme Court.,The Court of Appeal. ,The High Court., The District Court, The Magistrate Court., The Primary Court. and The Judicial Service Commission. The service is a free of charge service as this service is maintained by the court service office and made for the benefit of the public rather than for a method of income. Our main objectives are to ensure that all the court records are there or provided after the public request it and provide easy access to them.

Mission

Our mission is to Provide electronic public access to court information, in accordance with legislative and Judiciary policies, security requirements, and user demands.

Vision

Our vision is to provide all the records requested by the public and to provide easy access to legitimate records.
